# About MachAuto

MachAuto Expo is one of India's leading exhibitions for Machine Tools and Automation Technology, bringing together industry leaders, innovators, manufacturers, and buyers on a single platform.

With a strong legacy of 15+ years, the expo has become a trusted destination for showcasing advanced technologies, fostering business partnerships, and exploring new market opportunities. From machine tools and automation to smart manufacturing and Industry 4.0 solutions, MachAuto Expo continues to drive industrial growth and technological advancement.

Powered by Chamber of Industrial & Commercial Undertakings (CICU) and supported by leading industry associations including Association of Ludhiana Machine Tool Industries, Automotive Parts Manufacturers Association, Mohali Industries Association, Gurgaon Industries Association, India Industries Association, Faridabad Industries Associations, Cock & Valve Manufacturers Association, and Hand Tools Association, the expo serves as a premier platform for innovation, collaboration, and business networking within the manufacturing sector.

# Business Impact

06

MachAuto Expo 2026 created a powerful platform for business growth, enabling direct interactions between exhibitors and decision-makers.

## THE EXHIBITION FACILITATED:

- High-value business inquiries
- Strategic partnerships
- Real-time negotiations
- Market expansion opportunities

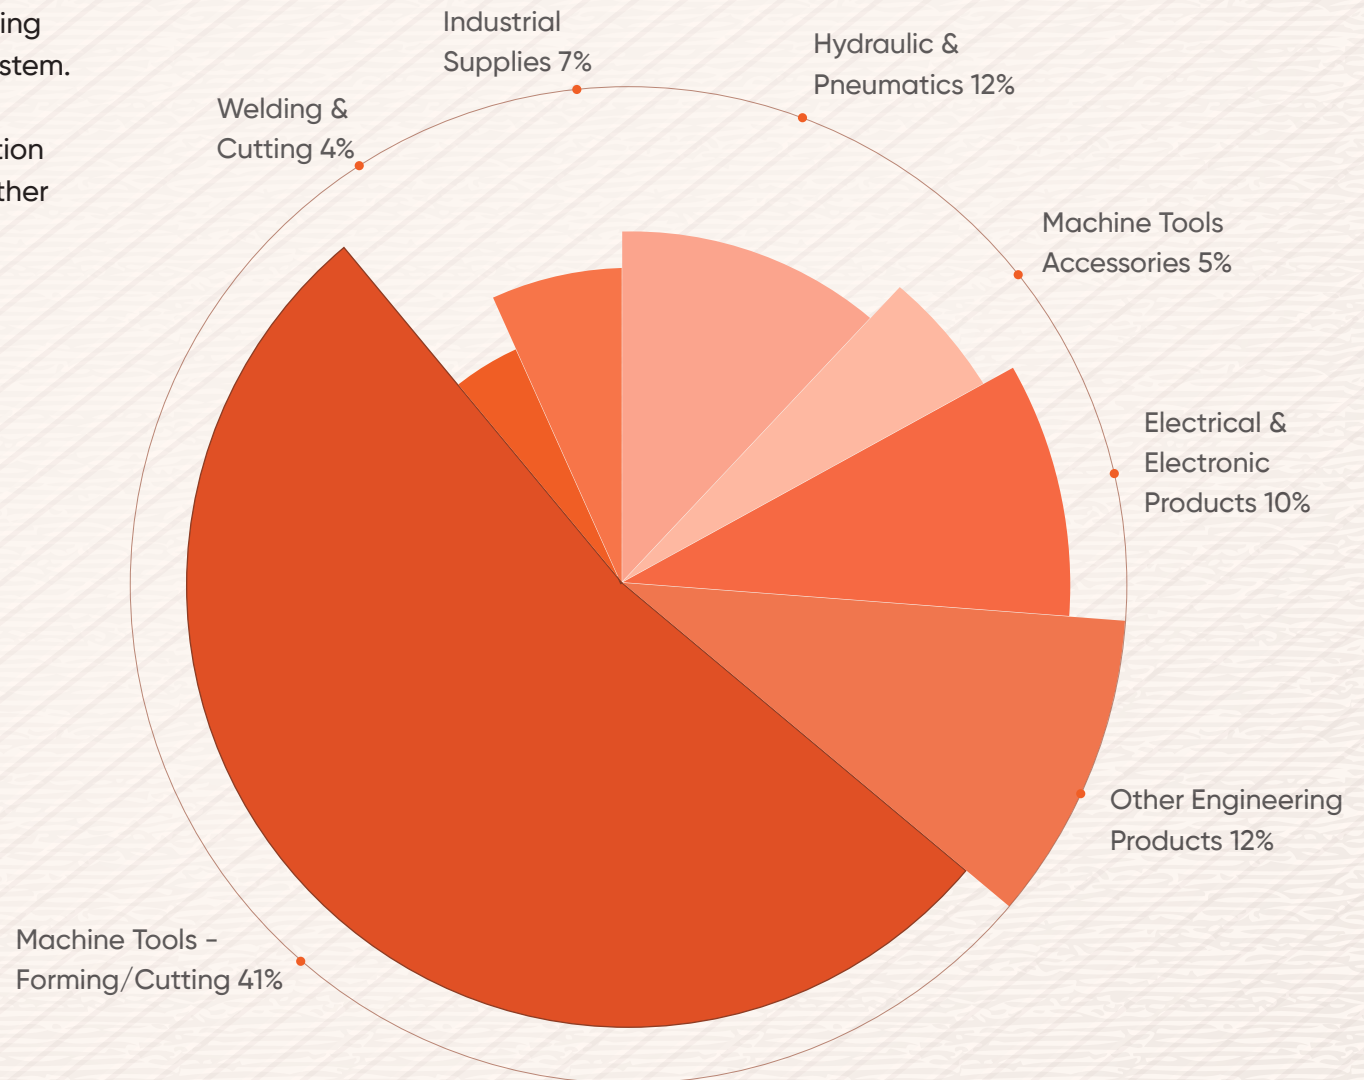

# Exhibitor Profile

The exhibitor base at Mach Auto Expo 2025-2026 reflected a diverse mix of exhibitors representing the entire engineering and automation ecosystem.

From machine tool manufacturers to automation solution providers, the platform brought together established brands and emerging innovators.

# Exhibitor Testimonials

15

## **Mr. Nirabjeet Singh - Jaewoo MD**

MachAuto Expo provides an outstanding platform to showcase our latest technologies and connect with serious buyers. The quality of visitors makes every participation worthwhile.

## **Mr. Sumit Bansal - Compac Technologies**

MachAuto Expo has become an important part of our marketing strategy. The event offers excellent visibility and direct interaction with key decision-makers.

## **S. HS Saggi - MD Sam Automation**

The exhibition attracts the right audience from across the manufacturing sector. It has consistently helped us generate quality business opportunities.

## **Mr. Amit Goel - Country Head Ace Micromatic**

The response we receive at MachAuto Expo is always encouraging. It is a great platform to strengthen existing relationships and develop new business connections.

## **Mr. Rajesh - Hindustan Hydraulics**

We appreciate the professional organization and industry-focused approach of MachAuto Expo. It is one of the most effective trade fairs for business networking and growth.

## **S. Harinder Singh - Bacchan Laser**

The scale of participation and industry support at MachAuto Expo is truly impressive. It remains one of the most influential exhibitions for the manufacturing sector.

**Mr. Sangeet - LMW**

Participating in MachAuto Expo has helped us enhance our brand presence and reach new markets. The event continues to exceed our expectations year after year.

**Mr. Harish Babu - Jyoti CNC**

The exhibition brings together leading manufacturers, suppliers, and buyers under one roof. It creates an environment that encourages innovation and business growth.

**Mr. Dhirajlal vallabhbai kotadia - STPL**

MachAuto Expo offers a unique opportunity to stay connected with industry trends and emerging technologies. The quality interactions make it a highly productive event.

**Mr. J C Babu - Electrotherm**

From product launches to customer engagement, MachAuto Expo delivers value on every front. We look forward to participating in every edition."

# Glimpses of 2026

19

# BRANDING ACROSS ALL TOUCHPOINTS

MachAuto Expo reflects the strength and future of India's manufacturing industry. We are proud to be a part of this prestigious platform.

# Grand and impactful conclusion of MachAuto Expo 2026

**SARBJIT SUFI LUDHIANA:** MachAuto Expo 2026 concluded on a highly successful and impactful note, reaffirming its position as one of India's most significant platforms for the manufacturing and engineering industry. Organized by Udan Media & Communications Pvt. Ltd., the four-day exhibition witnessed exceptional participation and strong business engagement from across the industrial spectrum.

The final day saw an impressive turnout of industrialists, decision-makers, procurement heads, engineers, MSME entrepreneurs, start-ups, and industry professionals who explored advanced machinery, automation technologies, and

next-generation manufacturing solutions. The exhibition floor remained energetic and business-focused throughout the day, with continuous live demonstrations, product showcases, technical consultations, and high-value networking interactions. Visitors appreciated the expo as a strategic platform that enabled direct engagement with manufacturers, technology providers, and solution experts under one roof.

Exhibitors expressed strong satisfaction with the quality of footfall and the seriousness of business inquiries generated during the event. Many participants reported productive B2B meetings, confirmed business prospects, dealer-

ship discussions, and expansion opportunities within the rapidly growing industrial ecosystem of North India. The expo provided a conducive environment for meaningful dialogue, collaboration, and long-term business partnerships.

The expo was graced by the esteemed presence and support of prominent industry dignitaries, including S.Upkar Singh Ahuja, President, CICU; S.Tarlochan Singh, President, ALMTI; S. Harsimranjeet Singh Lucky, President, UCPCMA; S.G.S Kular, Presi-

Government of Punjab, Sh. Jatinder Mittal. Their presence underscored the collective commitment of industrial associations and leadership bodies toward strengthening manufacturing and MSME growth in the region.

On the successful culmination of the expo, the Managing Director of Udan Media & Communications Pvt. Ltd. Mr G S Dhillon extended sincere gratitude to all exhibitors and visitors whose trust and participation were instrumental in making the

exhibition a resounding success. He also acknowledged the valuable support of various industry associations whose cooperation strengthened the outreach and impact of the expo.

Special appreciation was extended to the Government of Punjab for its continued encouragement and support in promoting industrial development, technological advancement, and growth within the state. The Managing Director emphasized the collaborative effort between stakeholders and the government to accelerate industrial growth and

**MACHAUTO EXPO** 15<sup>th</sup> Edition

INDIA'S LEADING EXHIBITION ON  
**Machine Tools And Automation Technology**

**20-23 FEB 2026**

Ludhiana Exhibition Centre (LEC)  
 GT. ROAD, SAHNEWAL, LUDHIANA

650+ Exhibitors • 50000+ Visitors • 13+ Participating Countries

**CONCURRENT EVENTS**

Associated sectors • Machine Tools • Cutting & Forming • CNC/VMC/DMC machines, EDM tools, Milling, grinding, press and sheet metal machines  
 Industrial Fuel Assemblies • Gears, gearboxes and measuring tools • Industrial Supplies • Structural bearings, seals and compression parts  
 Industrial Systems and metal fabrication products • Electrical & Electronics • Control systems, sensors, PLCs, computers, UPS, power supplies and transformers • Hydraulics & Pneumatics • cutters, lasers, grinders and precision products • Robotics & Automation  
 Machine tools, accessories • CAD/CAM/PLM, CNC controllers and related software • Welding & Cutting • Laser cutting, plasma cutting, grinding, grinding machines and welding accessories • CNC Engineering Products: precision control systems, packaging machines, material handling equipment, gears, industrial chucks and water treatment plants

Organized by: Udan Media & Communications Pvt. Ltd. | Supported by: ALMTI, MSME, IIT, etc.
